During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented achieved the following:

- Effective use of school personnel in literacy and numeracy to best meet the needs of students
- Students participated in online learning projects and lifted achievement in the upper two bands
- Instructional Coaching in P-2, with a focus on explicit teaching of Reading and Oral Language
- Improved teacher capability through focused Teacher Coaching and Professional Development to improve student performance.
- Developed a strategy to influence language development of pre prep students prior to school start.
